

Curriculum vitae

Personal data:

Name: Dr. Imre Török
Office: University of Miskolc, H-3515 Miskolc, Egyetemváros,
Hungary
*Place and date
of birth:* Sáp, 1948 01 23
Personal status: married, one child

Studies:

1966-71 Student at Technical University for Heavy Industries, now
University of Miskolc, Mechanical Engineering Faculty.
1971 Diploma awarded in mechanical engineer.
1976 Postgraduated in welding engineer.
1983-1986 Correspondence aspirant to candidate's degree.
1996 PhD

Position held:

1971-1977 Assistant lecturer
1977-1996 Senior lecturer, Department of Mechanical Technologies,
Mechanical Engineering Faculty, University of Miskolc.
1996- Associate professor

Scientific degrees:

1977 Doctored a degree summa cum laude at Technical University
for Heavy Industries,
Title of dissertation in English "Spot welding of zinc plated
steel sheets."
1996 PhD, Title of dissertation in English "Factors having
influence on join properties for automatic electric arc
welding of aluminium and its alloys"

Field of interest:

Welding processes; welding of aluminium and aluminium
alloys; material testing of welded joints; welding, service
and operation of pipelines.

Professional experiences abroad:

1982 Technische Hochschule, Magdeburg
1984 Bergakademie, Freiberg
1995 Montanuniversität, Leoben
1997 Technical University of Krakow
1998 Technical University of Ljubljana

Membership and functions:

- 1971- GTE, member
- 1980-85 Member of Central Committee of MTESZ
- 1981- Hungarian Academy of Sciences (HAS) Committee of Miskolc, Corrosion subcommittee, member
- 1991- Hungarian Academy of Sciences (HAS) Committee of Miskolc, Welding subcommittee, member
- 1991- ASM, member

Published reports, articles, books:

- 2 textbooks (with co-author)
- 4 teaching aid books
- 98 studies, expertises for industrial projects
- 102 reports, articles
